Elijah And Fire From Heaven - Lesson Questions

BIBLE STORY QUESTIONS

- Hard After King David there were problems in Israel and it eventually caused the nation to split in two. The portion in the south was called Judah. What was the portion in the north called? *Israel*
- Hard After many years a bad King and Queen came to rule over Israel. What were their names? *King Ahab and wicked Queen Jezebel*
- Easy What was one thing that Queen Jezebel insisted that all the people do that made God very angry? *She made everyone worship the idol Baal. She also had many of the prophets of God killed.*
- Easy God sent a messenger to Ahab to tell him of God's punishment for their sin. God sends messengers to people for many reasons, sometimes it is to warn them, sometimes to encourage them direct them and sometimes to tell them about the future. What is a messenger of God called? *A prophet.*
- Easy What was the name of this prophet that God sent to Ahab and Jezebel? *Elijah*
- Easy What did Elijah tell Ahab and Jezebel? *It would not rain in Israel until Elijah said.*
- Hard How many years passed by with no rain before God told Elijah to go and meet with Ahab to tell him rain would be coming? *Three years*
- Easy (Multiple Choice) When Ahab met Elijah, Elijah told Ahab to take all the false prophets of Jezebel's Idols and meet on? A. Mt. Carmel B. Mt. Chocolate or C. Mt. Rainer
A. Mt Carmel is correct
- Easy God's prophet Ahab challenged the false prophets to a contest. They would both build altars and place a sacrifice on top, but neither could do what to the sacrifice? *Put a fire under it.*
- Hard Ahab told all the people that the one true God would put fire on the correct sacrifice. The false prophets cried all day to their false gods to bring fire and they failed. Ahab then asked the people to do what to his sacrifice and altar to make it even harder for God to make a fire? *Ahab asked them to drench it with water.*
- Hard God answered Ahab's prayer and sent a fire that consumed the sacrifice, the wood, all the water and even the what? *Stones and dust. WHAT A FIRE!*
